

Essential STEPS Course

Attendance, Registration & Refund policies

Attendance Policy

This course is for purely educational purposes only and intends to provide hands-on training with a variety of state-of-the-art equipment. It attempts to maximise the participant's approach in managing acutely ill patients and encourages interaction with faculty and company reps re procedures and products.

It is impossible to provide all the latest equipment at the sessions due to logistical reasons although we attempt to provide the commonly used devices for the benefit of the participants. Being a skills workshop, participants are encouraged to read and familiarise themselves with various procedures.

We do **not** provide any pre-reading.

Valuable resources for learning (we recommend these for "pre-reading"):

1. T E Oh's Intensive Care Manual
2. Irwin and Rippe's Procedures and Techniques in Intensive Care
3. Ward's Anaesthetic Equipments
4. [YouTube](#) for watching videos of various procedures in the course program

Registration Policy

The course is capped at 25 participants only.

Registration is on a first-come-first-serve basis only.

Your position in the course is confirmed only after receipt of payment in full.

Refund Policy

Refund is subject to exceptional circumstances & only after approval by the course committee.
